

# SOUL DEMISE

## BANDBIOGRAPHY

**Soul Demise** is a German death metal band founded in 1993 in Neumarkt in der Oberpfalz. Originally starting under the name *Inhuman*, the band released the demos *Incantations* (1994) and *Inner Fears* (1996) during this early phase. In 1998, they rebranded as *Soul Demise* and marked the transition with the release of the EP *Farewell to the Flesh*.

With their powerful death metal enriched by melodic elements, *Soul Demise* has carved out a solid place in the metal scene. Their sound is characterized by aggressive riffs, complex song structures, and profound lyrics. The band is especially renowned for their energetic live performances, showcasing their commanding stage presence and musical prowess.

Throughout their career, *Soul Demise* has shared the stage with prominent acts such as *Vader*, *Krisiun*, *Dismember*, and *Napalm Death*, and has performed at numerous festivals. A major highlight was their appearance at the legendary *Wacken Open Air* in 2019.

The band's discography features an array of releases, including:

- **1994:** *Incantations* (Demo, self-released)
- **1996:** *Inner Fears* (Demo, self-released)
- **1998:** *Farewell to the Flesh* (EP, self-released)
- **2000:** *Beyond Human Perception* (Gutter Records)
- **2003:** *In Vain (Season of Mist)*
- **2005:** *Blind* (Remedy Records)
- **2009:** *Acts of Hate* (Remission Records)
- **2010:** *Sindustry* (Remission Records)
- **2017:** *Thin Red Line* (Apostasy Records)
- **2025:** *Against The Abyss* (Apostasy Records)

With the release of their latest album *Against The Abyss* (2025), *Soul Demise* continues to push the boundaries of their craft. The album highlights the band's evolution and solidifies their distinctive presence in the death metal scene.

*Soul Demise* remains a fixture in the metal world and a remarkable example of the fusion of tradition and innovation in melodic death metal.
